Financial Policy

Thank you for choosing Boulder Valley Asthma and Allergy Clinics, PC (BVAAC) for your allergy, asthma and immunology healthcare needs. We are committed to providing the very best medical care. We do our best to inform you of any allergy benefit information that we receive from your insurance carrier; however, it is ultimately your responsibility to pay for any charges you incur. The following is a statement of our Financial Policy, which you must read, agree to and sign prior to treatment. *If you have questions or concerns, please contact our billing office at 303-234-1067 opt. 3 prior to your appointment.*

- Know your insurance coverage, benefits and referral requirements: there are many insurance companies, all with several different plans, policies and benefits. **It is your responsibility to be aware of and understand your insurance benefits, coverage, exclusions, deductibles, co-insurance and referral requirements.**
- BVAAC accepts most major insurance plans; however, there may be plans which we are excluded from participating in. We recommend calling your insurance company to verify that we are in-network providers prior to your appointment. It is your responsibility to verify that BVAAC is a participating provider on your specific plan.
- We will bill your insurance company for your office visits, testing, allergy extracts, injections, etc. However, at the time of your appointment it is your responsibility to pay:
 - Any insurance copayment amount (as listed on your card). We are a specialist and charge the specialist copay.
 - Any amount subject to your deductible or co-insurance.
 - Any amount not covered by your insurance coverage.
- Failure to collect this amount at the time of service does not change your financial responsibility.
- Patients/Guardians are financially responsible for all charges, regardless of third-party guarantors.
 - In the case of a divorce situation, the adult accompanying the minor child is responsible for payment of services. Our office staff will not participate in any disputes, which may arise with respect to financial liability due to legal custody agreements.
- Self-pay patients must pay in full at the time of service, unless a satisfactory payment arrangement has been made with our billing office, prior to services being rendered.
- Any account balance is expected to be paid in full prior to new services being rendered.

Appointment Cancellation/No Show Policy/Tardy Policy

Boulder Valley Asthma and Allergy Clinics, PC (BVAAC) understands that there are times when you must miss an appointment due to an emergency or unforeseen circumstances. However, when you do not call to cancel your appointment, you may be preventing another patient from receiving much needed medical care. If you need to cancel your appointment to see a BVAAC physician, you must do so within 24 hours of the appointment or you will be charged a \$50 cancellation fee. This fee will not be covered by your insurance. You need to speak directly with a BVAAC staff member to cancel an appointment and avoid the late cancellation charge.

We understand that delays can happen; however, we must try to keep other patients and physicians on time. If a patient arrives 15 minutes past their scheduled check in time, we will have to reschedule the appointment.

My signature below indicates that I have read and agree to BVAAC financial policy, appointment cancellation, no show and tardy policies. I understand that I am financially responsible for all charges. I understand that it is my responsibility to contact the office to reschedule and/or cancel my appointment.
